

Virtual Cooking & Wine Club Q&A

I'm interested! How does this work?

For the [Dual Membership](#), each month you pay a flat fee of \$29.99.

This subscription gives you access to all of our live, virtual e-classes and wine tasting events as well as our exclusive Facebook Group, 10% off merchandise*, and 20% off ALL wine! *The standard \$24.99 Virtual Cooking Club Membership has all these benefits except access to wine tasting events and a 20% off discount on ALL wine.*

We send out your recipes and shopping lists in advance so you can cook along, or you can choose to watch, ask questions, and cook later!

What if I can't make that day/time?

No problem! We send out a replay link to all members. This is watchable for one week after the class and you can still submit questions that will be answered to questions@prepkitchenessentials.com

I'm not very tech savvy...

Our platform is foolproof! We send you a direct link to join our Zoom class and an email to download the recipes and shopping list. If you have any issues logging on, you are welcome to give us a call and we can help.

When does this renew? Is it month to month?

This subscription renews every 30 days. For example, if you subscribe on November 4, you will be billed again on December 4 and you have access to all e-classes and/or events within that time frame.

Any other perks?

So many perks! As a member, you get access to all of the below:

E-Classes: With the Virtual Cooking Club Membership, you are given access to all E-Classes within your billing cycle. These simulate in-person classes as closely as possible and are conducted via Zoom, which allows you to turn the camera on, see each other, and chat with the chef. If you aren't comfortable being on camera, no biggie! Keep your camera off and your mic muted and sit back and enjoy the show. You can also type questions in the chat box for us to answer.

Monthly Happy Hour Q&A's: Each month our owner, Sydney, gets together with one of our Chefs to discuss anything and everything related to food and wine! Questions are encouraged from our viewers!

Discounts: All members get 10% off store merchandise!*

Private Facebook Group: You gain access to our PREP Kitchen Essentials community Facebook Group. Here, members share recipes, photos, advice, and interact with our chefs, each other, and our owner.

Dual Memberships/ Wine Club: Dual Memberships (and Wine Club Members) join our resident Sommelier, Chris Kern, every month as he and the winemakers taste and discuss our featured wines. He hand-picks these featured wines from boutique wineries throughout California. As a Wine Club Member, you can come in days leading up to the tasting event to try the wine, buy what you like, and

Virtual Cooking & Wine Club Q&A

best of all, you get 20% off! Wines can also be shipped, shipping rates apply. All of these perks, from the comfort of your own home!

I don't like those recipes/ that food.

You're in luck! Here at PREP we focus heavily on teaching methods and techniques. Our chefs are always happy to review substitutions or alternatives. Our classes maintain a strong emphasis on knife skills, recipe interpretation and flavor profiling. We venture far beyond the limits of specific recipes, the teachings can be applied to virtually any dish.

I already know how to cook.

That's great! We offer more of an experience. We are technique-based, not recipe-based. We welcome all skill levels. From children and young adults, to advanced homecooks and even professionally trained chefs--we guarantee every skill level will walk away with something new, big or small!

Where can I find the equipment, oils, and vinegars the chefs always use?

In our store! Every tool we use in our classes are available for sale in our shop in sunny Seal Beach, California. We love [Enfuso](#) Balsamic Vinegars and Olive Oils. Enfuso is a small, local, family business right down the street from us. We carry their full line of products in our store, and everything is available to ship (shipping rates apply).

Where are the E-Classes Conducted?

Our E-Classes are conducted live on Zoom, in our kitchen in Seal Beach, CA. We would love to have you visit us!

How can I buy this as a gift?

Yes! Give us a call at 562-430-1217 between 11-5 PT and we'll take care of that for you. Please have your gift recipient's name, email and phone number readily available.
